

3RD GLOBAL INTERNATIONAL
CONFERENCE
ON INNOVATION IN MARINE
TECHNOLOGY
AND THE FUTURE OF MARITIME
TRANSPORTATION

GMC2019

APRIL 18th-19th, 2019
SELÇUK/IZMIR
info@globalmaritimeconference.org

Istanbul Technical University, Maritime Faculty and Turkish Chamber of Marine Engineers invite prospective authors to the 3rd Global International Conference on Innovation in Marine Technology and the Future of Maritime Transportation which will take place on April 18-19, 2019 in Selçuk, Izmir, Turkey. The topics of the conference will be addressed in interdisciplinary sessions, bringing together different aspects of maritime researches on science, technology, policy, management, engineering and education. We will be pleased to generate an atmosphere where authors/researchers can share their expertise, experience, and resources with each other.

IMPORTANT DATES

Abstract Submission	15.November.2018
Notification of Acceptance	15.December.2018
Full Paper Submission	15.January.2019
Early Registration	15.January.2019
Conference Days	18-19.April.2019
