# THE 6<sup>TH</sup> INTERNATIONAL MARITIME SCIENTIFIC CONFERENCE

## AIM OF THE CONFERENCE

The aim of the Conference is to disseminate outcomes of the research conducted by BSMA and partner universities in marine and related fields. We invite colleagues and students to present their research results, share their experience, and create a platform for future scientific collaboration.

## FORMAT OF THE CONFERENCE

The conference will be conducted in a hybrid mode, featuring both face-to-face and remote formats. The registered participants will receive a link to the Zoom invitation in due time.

**Working languages:** The Georgian and English Languages

**Presentation form:** Microsoft PowerPoint;

**Time limit:** 10–15 minutes for presentation;
